

12-09-2014 AMOS GENERAL MEETING MOTIONS MADE AND APPROVED

Motion 1 Motion made by John Sorenson 2nd by Dean Crump to hold any rocket discussion to 30 minutes with 2 minutes per speaker & only once. Motion carried.

Motion 2 Motion made by Doug Keller to allow class "C" rockets for 3 months starting in January and then bring back to the club if necessary. 2nd by John Sorensen.

Motion 2A Motion made to amend Motion 2 to have a committee of 2 or more people to review data on rockets and bring back to club general membership. Motion made by Rob Kearbey and 2nd by Jody Kahan. Motion 2A was approved by 23 of 39 members in attendance.

A 30 minute discussion followed for both the motion 2 and its amendment 2A. The discussion is summarized as follows: Where will rockets fly? Answer "U" control pad. What rules will rockets follow? Answer National Association of Rockets (NAR) rules. What happens when rockets go over flying field? Who is responsible if a problem develops? Answer Same as if two planes have problems now. A committee is to be formed that will fly a test rocket and will be announced ahead of flying. To be done by Jim Irey. At least 3 members spoke up that they came to the meeting planning to vote against rockets but after hearing the open discussion and the way it would be handled they changed their mind. A call was made for a vote on the motion and it's amendment. Prior to the vote Marv Bennett Secretary summarized the Motion and It's amendment and commented that he had in possession 8 Proxies that were voting "NO" on rockets and he

would count them against the motion. The motion and amendment then carried with the 39 members present voting to approve the motion and it's amendment, with 1 proxy for and 8 proxies against the use of rockets for the trial of 3 months.
