December 20<sup>th</sup>. Motion by Bob Calvert and 2<sup>nd</sup> by Randy Peeters. Motion

**New Business** “A Field Appreciation Day” was proposed to promote closer participation

action was taken on the proposal but everyone seemed to agree it was an  
idea worth pursuing.

**Other**

- John Kinney showed a possible brochure we could ask local Hobby stores to give to people buying RC planes and are new to the world of RC Flying. All positive comments and Steve said the Board would follow up on the idea.

**Adjourn**
