WHY ATTEND THE CENTRAL VALLEY HELI-FEST??

**A Benefit for
Gi-Gi's House**

40 Good Reasons:

- This will be a premier Heli Air Show- don't be sorry you missed it. This is more than just a "fly in"- it will be an EVENT!
- Dozens of prominent vendors and sponsors will be attending.
- We are making a major push through social media, forums, email and local TV stations so there will be TONS of spectators.**
- Top Name/ World Class Pilots- Nick Maxwell and Ben Storick will be kicking off the Event.
- We will have over 50 pilots from the Central Valley, Bay Area, SoCal and surrounding states.
- Organized by experienced Heli Professionals- Greggor McGrath and Danny Juarez.
- One "yard sign" with logo/name (included in reg). All signs will be placed in prominent positions on the "Walkway of Sponsors"
- Sponsors and Vendors will be asked for "Raffle Donations". We ask to give generously! Top donors will be "called out" and recognized!*
- Runway is 600' long by 60' wide so plenty of room for at least 4 Pilot Stations.
- Premium flag placement on entry road. OK to send banners, flags and signs ahead of time.
- Additional 30' x 30' Heli Pad area (off main flightline) with shade for testing, tuning/flying space for those who want a running start.
- SIX acrylic awards up for grabs: Best Auto Rotation, Best Noon Demo, Pilot's Choice, CD's Choice, Lawn Dart & "Big Heart Award".
- On Saturday at noon, Pilots will vote for the best "Open Field Noon Demo" so bring your "A Game"
- "Open Field Noon Demos" will be rockin' so bring your music (phone) and routine (printed). Announcer will call maneuvers (for spectators).
- Professional announcer and killer sound system (6 subs and 10 full range speakers) that covers the entire pits and spectator areas.
- 22- 10'x24' Shaded Pit areas which amounts to over 5,000 sq ft of shade. See the AMOS web site for details (AMOSRC.com).
- We are preparing for warm weather with 12 large Evap Coolers (throughout the pits) and one huge Mister for the Dining Area.
- TONS of EZ Up space available as well. Please see the AMOS web site for details (AMOSRC.com).
- Electrical outlets every 20' in the pits, so no need for generators.
- We will have (2) 4k Light Towers for Night Flying.
- FREE beer and wine at the end of the day in the dining tent. No alcohol in the pits and no flying after you have your first beer.
- Two Pro Photographers will be on-site for "static & action shots". Each night we hand out FREE 8"x10" prints of our best helis/pilots.
- "Concierge Service" to fetch whatever you need off site during the event. Just place your request at the Reg Desk. No food orders.
- This event is an opportunity to give back. We are promoting Gi Gi's Playhouse for Down Syndrome kids and adults.
- Throughout the event we will ask for donations from vendors, sponsors, pilots and spectators via supplied QR Card given upon entry.
- We will have great Raffle prizes with 100% of the proceeds going to Gi-Gi's House for our Down Syndrome Friends.
- Renovated food concession stand (The Cantina) where you will find food that is a "cut above". No burgers or dogs.
- High quality "on-site" professionally-prepared lunch (Fri, Sat) and dinner (Fri).
- Catered Banquet Dinner, Awards presentation and Raffle Saturday night (5-6:30pm).
- Great local street Tacos on Thursday night at 5:30pm for dinner, with plenty of Mexican Beer. Free to all registrants.
- Free Coffee and Doughnuts Thursday, Friday and Saturday morning.
- Free Ice-cold bottled water in the pits for all pilots 24/7.
- All the pit area is lit up at night with "market lights" so it's a great place to chill.
- Easy RV access (in and out) and lots of space for free overnight parking- starting Wednesday, July 6th. No hook ups.
- Thunder Valley Casino is less than 2 miles away. It can easily be seen from our field and the drive is 3 minutes.
- There are several high quality and inexpensive hotels within 5 miles of the field.
- Banquet and Awards Dinner is \$30 (if purchased separately).
