Review of Post COVID 19 Field Guidelines: The Board decided to make no changes to our current guest policy which is as follows: Access to the field shall be limited to AMOS members, members of their family, and invited AMA members. We do not plan to cancel our scheduled August events unless County adopts more restrictive guidelines.

AMOS Data Security and Storage: Andrew W. made a proposal to create a central point for backing up all AMOS data. The Board did not take immediate action.

Jet Fly Fire and Safety Precautions-Planning: The Board discussed fire safety with regard to the Jet Event. Dave L stated that he has planned out all safety aspects for the event, and we are covered. Dave C said he could bring quad with a trailer hauling a 55 gallon water tank and 12 volt pump to the event.

Dave L said that in view of COVID the Jet Event may not be a go. He has to make a go or no-go decision thirty days prior. For that reason, he asked to be allowed to tell the Board at the next meeting whether the event will go forward. The Board agreed.

Flight Training: Les K reported that under current County guidelines we still cannot conduct training because of the need to social distance and sterilize the transmitters between users.

Swap Meet: The Board concluded that under current County guidelines we should continue not to have swap meets.

Parking Gravel Expansion Project: The project is still on hold because the tractor is still in the shop.

Super Saturday flying on the days that the events were to be held is what is planned. Club members only, but each club member can bring a Guest.

All types of R/C planes can fly on those days - the field isn't closed.

PA systems , BBQ and Potlucks are ok at any of these Saturdays.

Sept 12th - Bring more Jets Sept 26th - Helicopters

Oct 3rd - Profile Planes Oct 17th - Giant Scale Planes

Covid 19 Guidelines - Wear Masks and stay 6 feet apart

Super Saturday Flying - Jets Jets Jets!! August 1st

This was a real nice day of club flying with some guests that came to the AMOS field on Saturday August 1st. The PA system was putting out some great Rock music and the Jets were blasting though the skyes. The field was Open so all kinds of planes were flying. Chance Harris did a great job with a BBQ and Daid Long hooked up a great sound system he had recently aquired.

Flying went on all day from morning to just before the sunset. There were two Jet crashes - one caused a small fire that was put out immediately-there goes \$25,000 of Plane, and the other was a faulty nose wheel that casued a jet to smash into one of the PA speakers. That was a smaller \$5,000 jet. Too bad you can't buy Jet crash insurance!!

Jokes;

Blonde addition;

**Why couldn't the blonde add 10 + 5 on a calculator?
She couldn't find the "10" button.**

Jesus;

Late one night a burglar broke into a house and while he was sneaking around he heard a voice say, "Jesús is watching you." He looked around and saw nothing. He kept on creeping and again heard, "Jesús is watching you." In a dark corner, he saw a cage with a parrot inside. The burglar asked the parrot, "Was it you who said Jesús is watching me" The parrot replied, "Yes." Relieved, the burglar asked, "What is your name?" The parrot said, "Clarence." The burglar said, "That's a stupid name for a parrot. What idiot named you Clarence?" The parrot answered, "The same idiot that named the rottweiler Jesús."

Christmas;

How is Christmas like your job?

You do all the work and the fat guy in the suit gets all the credit.

Mom Text;

A mom texts, "Hi! Son, what does IDK, LY, & TTYL mean?" He texts back, "I Don't Know, Love You, & Talk To You Later." The mom texts him, "It's ok, don't worry about it. I'll ask your sister, love you too."

The Monkey;

A boy with a monkey on his shoulder was walking down the road when he passed a policeman who said, "Now, now young lad, I think you had better take that monkey the zoo." The next day, the boy was walking down the road with the monkey on his shoulder again, when he passed the same policeman.

The policeman said, "Hey there, I thought I told you to take that money to the zoo!" The boy answered, "I did! Today I'm taking him to the cinema."
