AMOS RC NEWS

Welcome to 2024! The older I get the faster the years go by and we are already one month down in 2024! The freeze fly was well attended this month, I don't know how many pilots there were but the field was pretty busy with all types of planes. We had a ton of great food for the potluck. The Mavrixs were well represented with many young pilots flying most of the day. The good spring time weather is just around the corner, are you working on a new project for this year? If so send me what you're working on and maybe it will get featured in next month's newsletter.

This month's Member Spotlight features our own club president Dave Long check it out below. If you have any comments, ideas or suggestions for future newsletters feel free to email me @ ngraham_03@icloud.com.

Member Spotlight David Long

How long have you been a member of AMOS?

9 years at Red Barons when we were across the street next to MRF and 3 years at our current location.

Where are you originally from?

Born and raised in Sacramento.

How long have you been flying RC?

Seriously since 1999.

What do you, or did you do for a living?

Sold IT Software in the Mainframe space.

How did you get started in RC?

When I was 9, I was picked out of an audience at Disneyland to fly a U-Line controlled plane. That was IT!

Who got you started in RC?

Walt Disney

What other clubs around the country have you flown at?

Hemit (So Cal), Coachella (So Cal), Davis, SAM and Red Baron's (Wheatland).

Have you competed in RC? What have you competed in?

Racing silver class at SAM for a year.

What haven't you done in RC that you would like to try?

Thrust Vectoring a large jet in a hover position down the runway with smoke on.

What else have you done in RC other than airplanes?

Cars, Boats, Drones and Jets.

What do you like best about flying at AMOS?

Camaraderie and quality of people.

What other hobbies or talents do you have? (Non-RC)

Underwater Photography.

What is your favorite plane that you either currently own or have owned?

Rebel MAX Jet

What keeps bringing you back to RC day after day?

Adrenaline!

Who do you nominate for next month's member profile?

Nick Graham or Joesph Johnson

Warbird Event	May 11th 2024 @ AMOS
3D Event	June 14th 2024 @ AMOS
Pattern Event	June 23rd 2024 @ AMOS
Jet Rally Event	Sept 19th - 21st @ AMOS
Heli Fest Event	Sept 26th - 28th @ AMOS
Profile Event	Oct 5th @ AMOS

How can YOU help the club?

Join The Volunteer List

Participate in preparing and helping with our events, email Dave Long @ davelong9050@comcast.net if interested.

Be A Leader

Volunteer to "Manage" an event. We have a simplified system of successfully managing an event. Just follow the check list, training, guidance and help will be provided!

Become A Trainer

Without partnership with the Aerospace Museum Of CA, we will soon be attracting a LOT of kids and we will need the staff to "Buddy Box" with them. Being a trainer is a very rewarding aspect of the hobby! The club has the planes. We will provide training and guidance. Sign up today!

Donate!

We are slowly building our war chest for the day when we move. Although this is going to be for many years in the future, it's now time to plan.

Until next month, see ya at the field!

Nick
